## FRAMES

All designs	93
-------------	----

03

### BROOKLYN

The Brooklyn Chair is a sleek traditional design which can be used in a variety of situations and is the perfect soft seating solution for offices, board rooms & student accommodation.

15

### CAMDEN

The Camden Range is a sophisticated modern chair design, with a variety of shells to choose from including a side chair, armchair, high stool, 2 seater and coffee table. Ideal for reception areas, meeting rooms & breakout spaces.

25

### COPENHAGEN

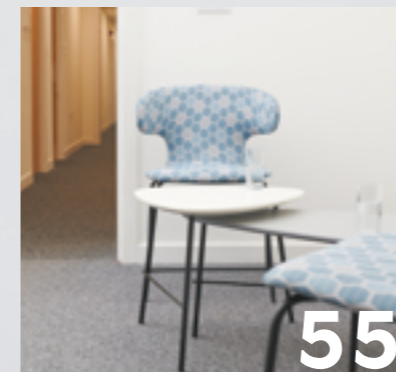

The Copenhagen Range is a simple elegant style offering a wide range of frame and shell options. Ideal for cafes, student living, pubs, and breakout areas.

41

### HUNTINGTON

The Huntington is a statement chair with rectangular bold curves and eye catching shape making it perfect for a variety of indoor settings.

55

### OHIO

The Ohio is a contemporary “curvy” chair design, its choice of bases makes it highly versatile, ideal for a range of office environments from meeting rooms to reception.

67

### ORLANDO

The Orlando Range with its gentle curves is a graceful elegant chair; comfortable, smart and durable it is perfect for modern offices, reception areas and collaborative spaces

77

### SKAPA

The Skapa range is a stylish Swedish designed chair shell offering a wide variety of base options. Perfect for meeting rooms, offices and receptions areas.

93

### FRAMES

Our wide range of frame options can be used with a variety of our shells, or alternatively can be customised for specific projects and environments.

101

### QUICK REFERENCE

If you want to find a chair quickly or just have a glance for inspiration, you can find a quick reference guide here.
